

A STATEMENT ON RACE

2021

WWW.POLYPAGES.ORG

Racism exists in our society in explicit and implicit forms, and this systemic oppression and suppression produces social, economic, political and legal disparities.

Poly Pages publicly and actively supports the mainstreaming of anti-racist work in all areas of our work.

Poly Pages supports the Black Lives Matter movement, and the movement to Defund the Police.

To activate our statement on race, Poly Pages has an accompanying document entitled 'An Anti-Racist Agenda'.
